TERMS AND CONDITIONS OF BATTERY PROMOTION

1. Battery Promotion applies only to final sales of Qualifying Products to end user customers.
2. Only end user customers purchasing the Qualifying Products between February 10, 1997 and March 31, 1997 may participate in this Battery Promotion. The invoice date will be considered as the date of purchase of each Qualifying Product; invoices must be dated between February 10 and March 31, 1997.
3. Each end user desiring to participate in this Battery Promotion must send, postage paid, (i) a copy of the invoice for each Qualifying Product, (ii) a copy of the "Customer Registration and Service Application" for each Qualifying Product, and (iii) a properly completed "Ascentia Battery Offer Redemption Form" (including serial numbers and part numbers) for each Qualifying Product to the address listed in item 2 of the Instructions. Documents must be postmarked no later than April 30, 1997. No battery will be sent to any end user customer until all properly completed documents are received for each Qualifying Product.
4. Batteries will be sent postage prepaid only to addresses in the continental United States. Batteries will be sent within approximately four to six weeks after receipt of all properly completed documents.
5. This offer extends only to final purchases and does not apply to any Qualifying Products which is returned by an end user.
6. Promotion valid only while supplies last. Program subject to change or cancellation without notice.
7. Promotion valid only in the continental United States and is void where prohibited. No batteries will be shipped to addresses outside the continental United States.
