## AST Trade Show Agreement Terms

- 1) The purpose of this Agreement is to provide a trade show booth to the reseller for display purposes at local trade shows.
- 2) During the loan period, risk of loss of the loaned trade show booth shall be borne by the reseller.
- 3) Title and ownership of the trade show booth shall remain with AST and reseller agrees to keep the equipment free from all liens, encumbrances and security interests of third parties.
- 4) This Agreement shall not be assignable by reseller without the prior written consent of AST.
- 5) Reseller agrees to call for pick-up of booth within 72 hours of the final show date unless otherwise stated in this document or upon earlier written notification by AST.
- 6) AST is responsible for freight and insurance for shipments to and from AST, provided AST selects the carrier and method of shipment. In the case that the reseller must use an alternate carrier, the reseller is responsible for freight charges. AST will ship the booth freight collect to the reseller.
- 7) Reseller shall return the equipment in good working condition, normal wear and tear accepted.
- 8) If the trade show booth is returned to AST damaged beyond normal wear and tear or returned later than 72 hours after the final show date, the reseller will be charged for all repairs. Payment for repairs will be deducted from the deposit. The reseller will receive a statement of charges.
- 9) There are no warranties, expressed or implied, including, but not limited to, merchantability or fitness for a particular purpose, relating to the use of or performance of the booth. AST will not be liable for personal injury or property damage, loss of profit or other incidental or consequential damages arising out of the use or inability to use the above.
- 10) The Agreement shall be deemed to have been made in the State of California and shall, for all purposes, be governed by and construed under the laws of the State of California.
